Sir,

Subject Purchase of a G E C Radio Set by the Municipal Council Sarjapur

It is reported that it was proposed to purchase for the benefit of the residents of Sarjapur, a G E C Radio set and that during 1947-48 a Budget Provision of Rs 600/- was made in this behalf

As it was subsequently ascertained that the cost of the set was Rs 900/- including the cost, of the loud speaker and transport and installation charges, Public subscriptions were raised to the extent of Rs 200/- and a Radio set was purchased on 12-8-47 at a cost of Rs 850/- exclusive of the cost of the loud speaker etc, which came up to Rs 50/-, the excess amount of Rs 100/- being met out of the closing balance of the municipality as resolved by the Municipal Council at its meeting held on 12-8-47

The President, Municipal Council has now requested that the purchase made might be approved

Asked as to why the offer of radio sets at a cheaper rate by Government was not availed of, the President has explained that as the set now purchased was of a better quality it was resolved by the Council to purchase the same though it was costly, a few rich persons even contributed to the extent of Rs 200/- for its purchase and that therefore the Radio set in question was purchased

In these circumstances, I request that the purchase of a G E C Radio set by the Sarjapur Municipal Council at a cost of Rs 900/- and the payment of Rs 700/- from the Municipal Funds therefor may be kindly approved
